Dear Confrères and Consoeurs,

It is with great pleasure that I extend a warm welcome to you for the Annual Gala and Induction Ceremony of the National Bailliage de Malaisie, set to unfold on the evening of Saturday, October 26th, 2024, in the vibrant heart of Kuala Lumpur.

This year, we have chosen the theme "A Taste of Home: Culinary Experience Redefined" to celebrate the rich and diverse culinary heritage of Malaysia. Our nation, a true melting pot of cultures, offers a unique gastronomic journey that reflects the harmonious blend of our various ethnic communities.

From the aromatic spices of Malay cuisine to the bold flavors of Indian dishes, the delicate finesse of Chinese fare, and the distinct tastes of our Indigenous and Eurasian influences, this gala is a tribute to the flavors that have shaped our nation. Malaysia is a land where history and modernity coexist in perfect harmony. Kuala Lumpur, our bustling capital, stands as a testament to this fusion, with its skyline punctuated by architectural marvels that echo the rich heritage and traditions of our diverse cultures.

As you explore the city, you will discover a mosaic of influences that tell the story of our people—each building, street, and dish narrates a part of our collective history. The evening promises not just an indulgence in exquisite cuisine but also an immersion into the very essence of Malaysia's soul. It is an opportunity for us to come together as a global community, to celebrate our shared passion for the culinary arts, and to experience the warmth and hospitality that Malaysia is renowned for.

We are honored to have you join us for this grand occasion, and we look forward to an evening of camaraderie, culinary delights, and cherished memories.

Selamat Datang and Bon Appétit!

Viva La Chaîne,

**Dato' Professor Dr. Elizabeth Lee**

## CHEF ALAN WONG

### COMPLEX DIRECTOR OF CULINARY

A man of ideas, evolution and talent, Alan Wong, the Complex Director of Culinary of Renaissance Kuala Lumpur Convention Centre and Four Points by Sheraton Kuala Lumpur, City Centre, has made an outstanding impression throughout his career in the culinary scene. His unparalleled skills can only be attributed to his passion and commitment in honing them the last 24 years. Being raised in a family of food connoisseurs, Wong left his heart in the kitchen at a mere age of eight which led to the foundation for his great culinary journey and his profound appreciation for local cuisine and produce.

With a strong and curious appreciation for gastronomy, the Malaysian native thrives on cultural inspirations in his menus given his respect for nostalgia and tradition. A trait he prides in to honour his hometown and family heritage to wherever his career path navigates him. Having worked with prominent mentors and master chefs of various talents during his stints in world-class restaurants and hotels since year 2000, Wong developed an aptitude for innovating local cuisine with contemporary European flair over time. His avant-garde experience is further evident through his work that consistently prioritises locally-sourced ingredients.

Wong's culinary expertise has earned him valuable recognitions and connections through his time spent in Singapore, China and Malaysia. He ascended in his role ever since, and became a part of the Marriott family when he joined W Beijing Chang'an in year 2018, making his well-deserved debut as Director of Culinary. Before his recent return to Malaysia, the humble chef left his footprints in most parts of China refining his experience in different scenes. If there is one thing to know about Alan Wong, he never ceases to bring joy and finesse through his persona, no matter in or out of the kitchen.
