Les Saveurs du Monde à Macao

Macao, where East meets West in a dazzling fusion of culture and diversity.

MESSAGE FROM MACAU CHAPTER

It is with immense honor and joy to extend to you a heartfelt invitation to join us for the 20th Anniversary Grand Chapitre of the Macau Chapter—a milestone celebration that weaves together the best of East and West, gastronomy and culture, tradition and excitement.

For three days, Macau will transform into a stage for exceptional experiences, curated with care and supported by our distinguished international partners. We are privileged to collaborate with the Clubs des Chefs des Chefs (the exclusive association of head chefs to heads of state) and Blanc de Chine - De Hua Porcelain (renowned for merging Chinese craftsmanship with contemporary elegance), ensuring every moment reflects the Chaîne's spirit of excellence. Among the culinary highlights not to be missed is an authentic canteen dinner at the newest Grand Lisboa Palace—where down-to-earth comfort meets refined quality, offering a taste of approachable luxury in Macau's latest landmark. You'll also indulge in the soul of Macau's culinary heritage with Macanese cuisine at Taipa House Museum, prepared exclusively by our very own Chaîne Macau Chef amid the venue's charming, heritage-rich setting. For those craving more excitement, an afternoon pre-cocktail at "Dinner in the Sky" awaits—elevating your experience as you sip fine drinks while taking in panoramic views of Macau's iconic skyline.

A centerpiece of our celebration is the gala dinner, where recent Junior Chef Competition contestants will join forces with acclaimed international chefs to craft a culinary symphony that honors both emerging talent and seasoned mastery. Beyond the table, we invite you to embrace Macau's dynamic energy: our celebration coincides with the 72nd Macau Grand Prix, and we have reserved prime viewing at the iconic Mandarin Oriental Bend, letting you feel the thrill of the race up close.

And the journey continues—extend your stay with our post-event tour to Hengqin, China, a vibrant neighbor just a short crossing from Macau. Hengqin offers a serene contrast to Macau's bustle: explore its lush coastal landscapes, discover innovative cultural hubs that blend Chinese heritage with modern design, and savor authentic Cantonese cuisine fresh from local markets—all while deepening connections with fellow Chaîne members.

For 20 years, the Macau Chapter has thrived by bridging cultures, and today, we stand hand in hand with our local community to welcome you—our global Chaîne family—to share in this milestone. Every detail of this celebration is crafted to honor our past, celebrate our present, and forge new memories together.

We eagerly await your presence to make this 20th anniversary a testament to the bonds that unite us across borders.
